## DETAILED ACTION

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. ### *Claim Rejections - 35 USC § 102*

storing a plurality of input messages directed to a user, each identifying one of at least two different user destinations (column 3, lines 55-67);

Art Unit: 2614

displaying a view of at least a subset of the input messages, the view including, for each input message, information identifying the message (column 4, lines 27-43);

receiving a signal indicating a selection to view messages identifying a particular destination of the at least two different user destinations (column 5, lines 1-30); and

modifying the view of the subset of the input messages based on the received signal (column 5, lines 36-55).
